AQUALECTRA

DEAR ENVIRONMENTAL STAKEHOLDERS:

Aqualectra and our partner Marubeni Caribbean Power Holdings Inc. are pleased to welcome you to this Environmental Stakeholder Roundtable. We hope that by initiating a dialogue on the environmental issues of our time we can work together to create a sustainable and prosperous future. We are particularly pleased to have Mr. Philippe Cousteau and his partners of Azure Worldwide present to help facilitate this session by contributing their knowledge of global best practices insights into responsible environmental stewardship.

We welcome your input into this important conversation about the future of our island and thank you for committing your valuable time to this program.

Sincerely,

Anthon Casperson
Acting President Director Aqualectra
